

AMBLS FOUNDATION

Empowering Educators, Mentors & Volunteers

MANDATORY REQUIREMENT NOTICE

Obtaining an **AMBLS Foundation Member's Training Certificate** is strictly required before applying for positions such as **Teacher, Mentor, or Volunteer**.

3 Pathways to Complete Your Training & Certification

METHOD 01

Offline Classroom Training

Participate in our structured interactive offline sessions. Contact our support desk directly via WhatsApp to receive schedule details, training center locations, and enrollment procedures.

METHOD 02

Online Self-Paced Training

Log in to your candidate dashboard on our official web portal. Access training modules, complete video tutorials, assessment tasks, and track your certification status online.

METHOD 03

YouTube Content & Skill Verification

Candidates with active educational or skill-based content on YouTube can submit their channel videos for evaluation. Our panel will verify your video content against job requirements for direct certification.

Important Instructions for Applicants:

- Ensure all profile details match your official identification prior to certificate issuance.
- For YouTube evaluation, video content must clearly demonstrate teaching/mentoring capabilities matching the intended role.
- For dashboard access issues or offline session dates, reach out via the official WhatsApp helpline.
